GAIR GAN Y CADEIRYDD/ A WORD FROM THE CHAIRPERSON

Gair oddi wrth y Cadeirydd.

Annwyl Rieni a Gwarchodwyr,

Mae'n bleser gennyf gyflwyno Adroddiad y Corff Llywodraethol ar gyfer y flwyddyn academaidd 2021/22.

Yn gyntaf, hoffem ddiolch i bob aelod o staff am eu gwaith caled a'u hymroddiad i sicrhau blwyddyn gynhyrchiol a llwyddiannus wrth fynd i'r afael â'r targedau a ymgorfforwyd yn y 'Cynllun Datblygu Ysgol', ac unwaith eto yn eu hymateb i'r pandemig byd-eang, Covid 19.

Rydym, fel ysgol, yn ffodus iawn o gael Cymdeithas Rhieni ac Athrawon gweithgar. Mae'r pwyllgor a nifer o rieni a ffrindiau wedi cwrdd drwy 'Teams' ac wedi gweithio'n ddiflino wrth drefnu amrywiaeth o weithgareddau i'n disgyblion, ein rhieni a'r gymuned ehangach er mwyn codi arian, sydd fawr ei angen, ar gyfer yr ysgol.

Fel corff llywodraethol rydym yn cydnabod pwysigrwydd gweithio mewn partneriaeth â'r gymuned, rhieni / gofalwyr, ysgolion uwchradd a sefydliadau lleol eraill. Er enghraifft, roedd ein disgyblion Blwyddyn 6 unwaith eto'n gallu cymryd rhan mewn gweithgareddau trosiannol gyda'n hysgolion uwchradd lleol sef y Frenhines Elizabeth a Bro Myrddin.

Yn olaf, hoffem ddiolch i chi fel rhieni a gwarcheidwaid am eich cefnogaeth barhaus i'r ysgol yn ystod 2021/2022. Mae'r bartneriaeth rhwng disgyblion, rhieni / gwarcheidwaid a'r staff wedi ein cynorthwyo'n fawr i gwrdd â rhai o'r heriau a gyflwynwyd i ni yn ystod y flwyddyn academaidd, a heb os, mi fydd yn parhau i fod o'r pwysigrwydd mwyaf ar gyfer y dyfodol. Rydym yn edrych ymlaen yn fawr at symud ymlaen fel ysgol yn y flwyddyn sydd i ddod a pharhau i ddarparu amgylchedd anogol i hyrwyddo profiadau a dysgu ein disgyblion.

Yr eiddoch yn gywir,

Iwan Davies.

A word from the Chairman.

Dear Parents and Guardians,

I have great pleasure in introducing the Governing Body's Report for the academic year 2021/22.

Firstly, we'd like to thank all staff members for their hard work and dedication in ensuring a productive and successful year in addressing the targets incorporated into the 'School Development Plan', and in their response to the global Covid 19 pandemic.

As a school we are very fortunate to have such a hard working Parents and Teachers Association. The committee and a number of parents and friends meet via 'Teams' and work tirelessly in arranging a variety of activities for our pupils, parents and the wider community in order to raise much-needed funds for the school.

As a governing body we recognise the importance of working in partnership with the community, parents / carers, secondary schools and other local organisations. For example, our Year 6 pupils were once again able to take part in transitional activities with our local high schools, Queen Elizabeth and Bro Myrddin.

Finally, we would like to thank you as parents and guardians for your continued support for the school in 2021/2022. The partnership between pupils, parents / guardians and the staff has helped us greatly to meet some of the challenges presented to us during the academic year, and will undoubtedly continue to be of the greatest importance for the future. We are very much looking forward to moving forward as a school in the coming year and continuing to provide an encouraging environment to promote the experiences and learning of our pupils.

Yours sincerely,
Iwan Davies.

Curriculum and Assessment

Curriculum and Assessment

All teachers and teaching assistants at Llangunnor School give of their best and work conscientiously to ensure that all pupils have every opportunity.

Our aim is provide each pupil with a happy and caring environment where every child, regardless of ability, is encouraged to develop as an individual and in so doing acquires understanding, knowledge and skills relevant to adult life.

Our curriculum is based on the requirements of the National Curriculum as described in the Education Reform Act (1988) and subsequent amendments. The school provides a full range of Primary School subjects, and the curriculum is designed to ensure that progression is closely monitored. The school uses Teacher Centre and Incerts to track and monitor pupil progress. Class teachers plan work carefully in order to set achievable goals for themselves and their pupils. Careful planning throughout the school also ensures that work is matched to pupils' abilities, experience and interest, whilst at the same time ensuring that there is progression, continuity and balanced skills coverage throughout the Foundation Phase and Key Stage 2.

The curriculum ensures that all pupils study a broad and balanced range of subjects which promote the mental, physical, spiritual, moral and cultural development of pupils at the school. At both Foundation Phase and Key Stage 2, a cross curricular, thematic approach is adopted .

During the 2021-22 academic year, we are adopting the new Curriculum for Wales in preparation for its statutory use in September 2022. This curriculum aims to prepare children and young people to thrive in the future where digital skills, adaptability and creativity are crucial. Both Key Stages are on a journey towards providing a curriculum which composes the six areas of learning and the three cross-curricular priorities of literacy, numeracy and digital competence.

The six areas of learning are:

Language, Literacy and Communication.

Mathematics and Numeracy

Humanities

Expressive Arts

Health and Well-being

Science and Technology.

These are used to support learners' realization of the **4 purposes of the curriculum**. These 4 purposes aim to develop children as:

- **ambitious, capable learners, ready to learn throughout their lives.**
- **enterprising, creative contributors, ready to play a full part in life and work.**
- **ethical, informed citizens of Wales and the world.**
- **healthy, confident individuals, ready to lead fulfilling lives as valued members of society.**

In accordance with the philosophy of the National Curriculum, all pupils have their work assessed continuously throughout their school years. Pupils are also assessed at the beginning of Reception and at the end of both Key Stages. All pupils from Years 2 to 6 complete National Statutory Tests.

Ein Polisi Iaith

Our Language Policy

Polisi iaith yr Ysgol

Mae Ysgol Llangynnwr yn darparu addysg trwy'r Gymraeg a'r Saesneg ar draws dwy ffrwd. Mae'r dosbarthiadau meithrin a derbyn yn Gymraeg yn unig, ac o'r 1af o Fedi, 2020 newidiodd darpariaeth y Cyfnod Sylfaen i fod yn gyfrwng Cymraeg yn unig, gyda darpariaeth dwy ffrwd yn parhau o Flwyddyn 3.

Yn ein dosbarthiadau Ffrwd Gymraeg, Cymraeg yw prif gyfrwng bywyd a gwaith yr ysgol. Cyflwynir Saesneg wrth i ddisgyblion drosglwyddo i Gyfnod Allweddol 2 fel bod disgyblion yn cael y cyfle i ddatblygu cymhwyster cyfartal yn ddwy iaith erbyn iddynt adael yr ysgol gynradd.

Yn ein dosbarthiadau ddwyieithog, defnyddir Cymraeg fel cyfrwng ym mywyd a gwaith yr ysgol. Bydd hyn yn sicrhau sylfaen gadarn ar gyfer datblygiad parhaol yn nysgu'r iaith Gymraeg i sicrhau cyfle cyfartal ar gyfer Saesneg a Chymraeg ym mywyd a gwaith yr ysgol. Nod yr ysgol yw datblygu cymhwyster ieithyddol yn y ddwy iaith erbyn iddynt gyrraedd 11 oed.

School's Language Policy

Llangunnor Primary School provides education through the medium of Welsh and English across two streams. Nursery and reception classes are solely Welsh, and on the 1st of September 2020, the nature of Foundation Phase provision changed within the school, to solely Welsh medium to Year 2, with dual stream provision provided from Year 3 onwards.

In our Welsh medium classes at Llangunnor School, Welsh is the main medium of life and work. English is introduced as pupils transfer to Key Stage 2 so that pupils have the opportunity to develop an equal competence in both languages by the time they leave.

In our English medium classes, bilingualism is an area of study and the Welsh language is used as a mean of communication in all aspects of school life. This secures a sound foundation for the continued development of the learning of the Welsh language into KS2 to ensure an equal opportunity for both English and Welsh in the life and work of the school. It is the aim of the school to develop linguistic competence in both languages by the age of 11

Participation in Sports The main aim of Physical Education in Llangunnor School is to encourage and help every pupil to live a healthy and active lifestyle, whilst encouraging the development of desirable characteristics such as effort, fair play, sportsmanship, perseverance and confidence. Members of staff attempt to achieve these characteristics by offering a wide range of activities for every age group, as part of the curriculum and as extra-curricular activities, by challenging them to improve their personal performance. These activities include athletics, rugby, football, hockey, netball and a variety of other indoor and outdoor activities. Unfortunately, many events were cancelled this year, due to the Covid 19 pandemic, but these were some of the activities we attended:

We are hugely indebted once again this year to our school's **Parent Teacher Association** for their unflagging efforts in organising fund raising social events for school even during this challenging Covid-19 pandemic. All funds are put towards purchasing educational equipment requested by the headteacher.

As a school we very much appreciate all their hard work.

The Governing Body is proud of the close links between the School and the wider community.
